

In our daily life we have to integrate GOD. Always. Trust HIM. That gives us strength and power and even a cheerful attitude through tough times as Corona. There is much more than this life here on earth. We have to keep this in mind, every moment.

We have to live as Paul said in 2 Corinthians 5:7: “For we walk by faith, not by sight”.

With YOU

Storm and thunders pervade my life
As well as pain and loneliness at times
But I have YOU and YOU have me

That makes me strong though I am weak
It gives me power and happiness
For YOU are in me and I in YOU

Things may hurt and scars will stay
Yet I continue and am pleased with my strong faith
And I always want to be with YOU as YOU with me

I tried to live without YOU – in darkness –
Not knowing my life was empty, shallow, meaningless
Now I follow YOU as YOU already have followed me

Through all trouble and attacks
I walk as YOUR child with a bright future ahead
Because YOU love me and I love YOU

It's YOU who give me peace, who give me joy, who give me all I need
My LORD, my KING: With **YOU** I am
AMEN
